PRODUCTION MATERIAL

FOUNDER

FOUNDER

We have all the necessary production material for your projects.

1

A collection of professional equipment including a black Pelican case, two walkie-talkies, a silver case, a yellow high-visibility vest on a chair, a black bag with 'EZUP' logo, three orange traffic cones, a yellow boom light on a tripod, and a red power generator.

2

A black pop-up tent is set up on a white surface. Inside the tent, there is a white folding table with two chairs. On the table, there are two silver thermoses. To the left of the table, there is a blue cooler and a black and white portable air conditioner. To the right of the tent, there is a rolled-up tent bag with a black strap. The tent has a small logo on the top right corner.
